Welcome to Zambia

Greetings Distinguished Rotarians and all other members of the Rotary International family.

On behalf of the warm and hospitable Citizens of the Republic of Zambia and indeed my own behalf, I welcome you all to Zambia. We are profoundly honoured and privileged to host you all as international and national delegates to the 5th All Africa Rotary International Zone 22 Institute here in Lusaka, Zambia.

I am aware that this meeting is important as it brings together great leadership minds to share information, provide for networking, and exchange ideas about Rotary International and The Rotary Foundation.

I have been apprised that on your Agenda is a report on your polio eradication efforts and other areas of focus that Rotary International is concerned about. My Government shares in those areas of focus namely:

- Peace and Conflict Prevention/ Resolution;
- Disease Prevention and Treatment;
- Water and Sanitation;
- Maternal and Child Health;
- Basic Education and Literacy;
- Economic and Community Development; and
- The Environment.

My Government expresses its gratitude that we are able to have

common ground in your areas of focus in our quest to uplift the living standards of our people.

Distinguished delegates, throughout your stay in Zambia, I invite you to explore the tourism potential that we have and explore trade and investments opportunities which we are able to offer. Zambia has attractive investment opportunities for everyone interested in investing.

I hope that the Conference will provide opportunities to network, reconnect with friends, and find inspiration for continuing your service and leadership in your community.

I wish you fruitful deliberations and I am confident that the outcomes of this Conference will benefit Rotary International and its membership.

God Bless you all.

Dear fellow Rotary leaders,

As you attend your Institute, do not forget your vital importance to Rotary.

We have been handed the reins of leadership at an historic moment. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has gone before us if we are to reach our goals, such as defeating polio and empowering girls and women.

Rotary offers people of action a chance to connect and find a sense of belonging, and this fellowship gives us hope that we can create lasting change. But in the wake of the COVID-19 pandemic, more people than ever feel hopeless. Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost.

To make matters worse, in many parts of the world, asking for help — especially in the realm of mental health — is considered a weakness. But nothing could be further from the truth. It is brave to be vulnerable and to admit you don't have all the answers. Reaching out for help is courageous — and continuing on a path towards wellness is even more so.

Join me in making Rotary a source of strength for all of those who feel they have no hope, within and beyond our membership. Let this be the year we *Create Hope in the World*, and let Rotary be known as an organization that takes care of its members as well as the people we serve. It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves.

I hope you take the knowledge gained at this Institute back to your clubs to help them succeed throughout the coming year.

Remember that your work can and will *Create Hope in the World*.

Warmest Regards,

R. Gordon R. McInally

Welcome to the City of Lusaka

GREETINGS Distinguished Rotarians and all other members of the Rotary family.

On behalf of the three (3) million people of Lusaka and indeed my own behalf, I welcome you all to the Greater City of Lusaka.

It is exciting to host you all as international and national delegates to the 5th All Africa Rotary Institute in the City of Lusaka, specifically at the Mulungushi International Conference Centre (MICC) where your meeting will be held. I must applaud your leadership for deciding to let us host you in this city that prides in making the stays of our guests exciting, safeguarded and memorable.

Since 1970, the MICC facility has catered to international dignitaries as well as large corporate clients, setting the standard for hospitality and customised service. The conference venue boasts of a combination of modern and old-

style building across a 5,200 square meters, herds of impala strutting across the land. You may also have the privilege of spotting the beautiful peacocks.

During your stay in our beautiful tropical paradise, I am certain that you will find an opportunity to experience our people's warmth and hospitality. We welcome you to try our sumptuous traditional meals and pick up traditional arts available in many places within the vicinity.

Lastly but also importantly, I invite you to extend your stay to allow you tour interesting places within and outside Lusaka.

Thank you all for honouring us with your presence in the Greater city of Lusaka.

Convenor's message

My wonderful Rotary Family across Africa,

It gives me the greatest pleasure to now extend a very warm welcome to all fellow Rotarians across Africa and around the world to another fascinating Rotary Institute in the city of Lusaka, Zambia.

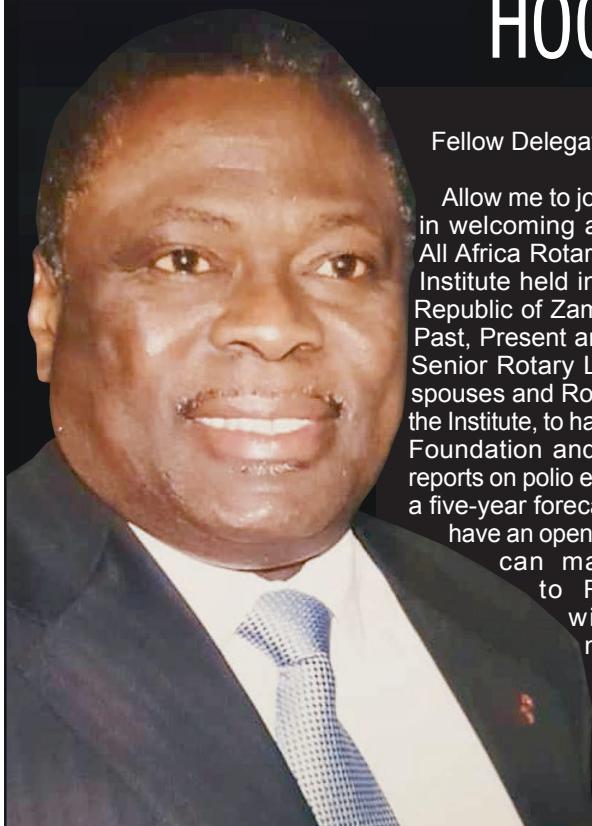

The Rotarians of District 9210 in Malawi, Mozambique, Zambia and Zimbabwe are waiting to host you. We are looking forward to personally welcoming each of you!

Most sincerely yours,

Patrick D Chisanga
Rotary International Director
2022-2024

HOC Chairman's message

Fellow Delegates,

Allow me to join RID Patrick Chisanga in welcoming all delegates to the 5th All Africa Rotary International Zone 22 Institute held in the Capital City of the Republic of Zambia, Lusaka. Each year, Past, Present and incoming District and Senior Rotary Leaders and Rotarians, spouses and Rotaractors congregate for the Institute, to have updates on the Rotary Foundation and its programs, receive reports on polio eradication efforts, receive a five-year forecast on Rotary programs, have an open forum where participants can make recommendations to Rotary and network with friends, making new acquaintances in the process and find inspiration for continuing our service and leadership in the community. And of

course have fun and entertainment.

The Host Organizing Committee has laid out a robust programme which includes, learning, networking, entertainment and fellowship. I am sure each of us will find individual inspiration from the laid out programme to continue our service efforts in our communities.

Lusaka is waiting for you to explore. Find time to visit some of Lusaka's tourism attractions. The Lusaka National Park, Kabwata Village, KK Chilenge Pre-Independence Home, National Museum, Kalimba Reptile Park, Lilayi Elephant Nursery.

And of course, do not neglect to spend money in any of our modern Shopping Malls dotted around Lusaka!! Welcome.

William B. Nyirenda. SC
HOC-Chair

Programs of Scale - Partners for a Malaria-Free Zambia Project

Launched in 2021, the Partners for a Malaria-Free Zambia became the first recipient of Rotary's programs of scale grant.

This transformative project is saving lives by providing primary healthcare services to more than 1.2 million Zambians. The program has trained and equipped 2500 community health workers in Zambia's Central and Muchinga provinces who are meeting their neighbors healthcare needs.

Partners for a Malaria-Free Zambia (PMFZ) is a Rotary-led initiative worth USD\$6 million and implemented jointly by Malaria Partners Zambia, a movement of Rotarians inspiring an international Rotarian campaign for the global elimination of malaria, and World Vision Zambia. Working with

the local Ministry of Health at various levels, PATH MACEPA and other key stakeholders in the malaria elimination program, PMFZ has emerged as a force for good in advancing the national malaria elimination agenda.

The project leverages the skills and influence of Rotarians across Zambia and abroad to advocate for malaria elimination outcomes, including advocacy for improved supply of anti malarial drugs and test kits to community health workers and health facilities for effective management of malaria and other ailments in the community.

Indeed Rotarians continue to play a vital role in raising awareness to the challenges surrounding malaria in Zambia and mobilizing resources and manpower to contribute to the effort to

end malaria. As a direct consequence of hours spent volunteering on the PMFZ project, the Rotaractors of the Rotaract Club of Lusaka were inspired to launch the Rotaractors in Action Against Malaria (RotarACTION) project, an initiative to improve data for policy decision making, with support from a USD\$16,000 Malaria Partners International grant.

With more and more Rotary clubs now "thinking malaria", Malaria Partners Zambia is closer to achieving our objective of inspiring a global Rotarian Campaign for the eradication of malaria. Your club can join us in this effort. Start by inviting MPZ to make a presentation at your next meeting to get information about how your club can access up to USD\$10,000 from Malaria Partners International or for assistance in applying for a Global Grant from Rotary.
